BESPOKE STRUCTURAL GLAZING

GLASS BALUSTRADE

## GLASS BALUSTRADE

Our bespoke glass balustrade is made to order with a lead time typically under 2 weeks from the highest grade materials ensuring the highest level of safety and design.

Balustrade can have many functions and we can install both Interior & Exterior Balustrade.

DESIGNED TO IMPRESS

BUILT TO LAST

All our Glass Balustrade will be manufactured from toughened and laminated glass and usually with an interlayer.

The exact specification will be suited to the load requirements of each specific project and when we design your balustrade we will calculate the correct loads and specification required to provide the a safe optimal finish.

## HAND RAILS

In some cases depending on the project a Continuous hand rail may be specified but in most cases a completely frameless balustrade can be used with strength and structure being shared between the hand rail and the glass.

When a hand rail is required we have a variety of options for you to choose from.

## BALUSTRADE SHOES

Depending on the project requirements and look you require we also have a variety of Balustrade Shoes and fixing to choose from
